NOVUS DSS column with system clamp 2

NOVUS Duo Support System columns provide the capability of attaching DSS supporting arm elements. Attractive in looks and in price – they offer maximum flexibility. In durable, robust material quality, the system is guaranteed to give you a stunningly simple, secure and adaptable means of attaching supporting arms for TFT screens. The elegant, 445 mm long aluminium profile serves as a support column and can be mounted on any desk with a desktop thickness of 5-65 mm using Novus system clamp 2. Two cable clips are included as a practical aid for routing cables.

The clamp has a clamping length of 5 to 70 mm. Simple to attach using the hexagon socket spanner supplied.

When used conventional.

This machine bears the GS approval of product safety.

Available in silver/ anthracite
